

Students' MyActive Campus space MPA4007 - with these rules, everyone wins

General information

- ◆ MPA4007 is intended exclusively for the promotion of student well-being - as a refreshing oasis and respite from the stresses and strains of studying
- ◆ Access by badge only
- ◆ It is not a study or group work space, nor a staff rest, meeting or conference room or working space
- ◆ If you use the space, you agree to abide by these rules
- ◆ Compliance with the rules will be monitored and the space may be withdrawn if the principles do not work

Key points relating to use

- ◆ You can enter the space even if someone else or others are already there
- ◆ As far as possible, everyone is given space to be, do and perform
- ◆ To ensure comfort, shoes are left in the doorway - woollen socks can be borrowed from the space
- ◆ If equipment is taken out, it is put back in place at the end
- ◆ Keeping the space tidy is a shared responsibility - not visited by Metropolia Facilities Services to put things away or wash equipment

No extra stuff or loaning equipment

- ◆ No non-purpose items or furniture, no extra tables, chairs, carpets, decorative items or greenery may be brought into the space
- ◆ No equipment may be removed from the premises, borrowed or used elsewhere

Security

- ◆ Normal caution and correct use of equipment must be observed in the room
- ◆ The equipment cupboard has a separate place for all items and disinfectant wipes are provided
- ◆ If you notice any problems with the use of the room or any safety hazards, for example, please contact metka@metkaweb.fi
- ◆ The rules for a safer space are followed - any problems can be reported to METKA harassment contact persons, by e-mail hairinta@metkaweb.fi or by using the Contact in case of harassment form

The space has been developed in 2019-2023 with the help of the METKA and Metropolia MyActive Campus project. The project was funded by the Urlus Foundation and the responsible persons were Tuire Ranta-Meyer from Metropolia and Pekka Petäkoski from METKA. For more information, visit <https://metkaweb.fi/palvelut/hankkeet/myactive-campus/>.
