

ELECTION ANNOUNCEMENT

28.3.2024

APPLICATION PERIOD FOR STUDENT REPRESENTATIVES 2024

(SECONDARY APPLICATION ROUND)

The Student Union METKA announces the secondary application round for the positions of student representatives of governmental bodies and advisory councils of Metropolia mentioned in The Rules of Procedure of Metropolia University of Applied Sciences. The open positions are for the term began on 1 January 2023. The secondary application round includes those positions that have not been filled for the current term. The applicant may be elected to begin their term immediately.

The election is carried out in accordance with Section 41 of the University of Applied Sciences Act and Metropolia's Rules of Procedure and in compliance with METKA's regulations regarding the election of student representatives.

Open positions

Advisory Councils of Degree Programs

Advisory councils are bodies formed by representatives of degrees and working life. The purpose is to develop the relevance and quality of education for working life. A degree can have its own or joint Advisory Council with other degrees. The term of office of the members and alternate members of the Advisory Councils of all degree programs is 1 January 2024 - 31 December 2024.

See the complete list of Advisory Councils at the end of this document.

Application period

The application period is continuous.

METKA hopes that students from different degrees and classes will apply. The positions for student representatives will be filled on the basis of applications.

However, the Board of METKA may declare the application incomplete or applicant unsuitable for the position, in which case the position of student representative will not be filled.

Submission of applications

Apply to be a student representative by filling out an electric application form. The application must state the applicant's name, student number, degree program, phone number, e-mail address and to which advisory council the applicant is applying for and whether the applicant is primarily applying for full or alternate membership, if both of these are open.

The application must also include a free-form application text in which the applicant can e.g. introduce themselves, talk about their skills and experience or their motivation for the student representative position in question.

[Electric application form can be found behind this link.](#)

Eligibility to apply

Students of Metropolia University of Applied Sciences are eligible to apply. The student representative is not required to be a member of the student union. A person registered as absent can also act as a student representative.

Students of the degrees that belong to Advisory Council are eligible to be elected as student representatives of the Advisory Council in question. If there is any ambiguity about the degrees belonging to the Advisory Councils, the matter can be clarified by the Head of Degree Programme.

Selection

METKA's Board selects the members for the Advisory Councils of the degree programs. METKA's board makes decisions about student representatives to be elected at its meetings consequently receiving applications. Applicants have the opportunity to present themselves at the meeting where the selection is made.
