The elections will select the student union's representative council from among the student union members. 25 members and 25 deputy members will be elected to the Representative Council for 2026. The elections will be conducted by electronic voting between 12:00 p.m. on October 29th, 2025, and 12:00 p.m. on November 5th, 2025.

Standing for election

The nomination period begins on September 23rd, 2025, and ends on October 7th, 2025, at 11:59 a.m. All members of the student union who have paid their membership fees by October 7th, 2025, at 11:59 a.m. at the latest are eligible to stand as candidates. Candidates may form electoral alliances consisting of 2–25 candidates. Each alliance must appoint a representative, who may also be a person outside the electoral alliance. Notifications of the establishment of electoral alliances will be accepted from September 8th, 2025, and candidates will have the opportunity to form alliances until the end of the nomination period. During this period (September 8th – October 7th, 2025), METKA will organize two (2) social media promotions for the established alliances, which the alliances can use to recruit candidates if they wish.

The promotions will take place at the beginning of the nomination period on September 23th and halfway through on September 30th. For these promotions, the alliances must submit a suitable image, the contact details of the election alliance representative, and an introduction of the election alliance. The materials must be sent using the election coalition establishment form or to the election committee at vaalit@metkaweb.fi no later than September 21st, 2025, for the first promotion (September 23rd), and September 28th, 2025, for the second promotion (September 30). In addition, the established electoral alliances will be listed on the Representative Council Elections page of the METKA website.

Election alliances may form election rings among themselves. Each ring must appoint a representative who will fill out the election ring establishment notification. All election documents must be completed and submitted using the electronic form by 11:59 a.m. on October 7th, 2025.

Links to the relevant forms will be updated in this announcement and on the METKA website, and the opening of each form will be announced separately.
