

GREETINGS NEW STUDENT!

Head Tutors & the whole tutor team would like to congratulate you on being selected to study at the Myllypuro Campus, and welcome you to Metropolia!

We will be there to help you during the beginning of your studies. We are senior students, and you can easily recognize us by the black tutor t-shirts and hoodies we wear during orientation days.

We were also freshmen once, so we know how it feels like to begin your studies at a new place. We are excited about the new semester and look forward to helping you to get to know your new fellow students and surroundings.

The beginning of the semester is always busy and a bit stressful, but in time, you will become familiar with the student culture at Metropolia.

You will be assigned in your respective WhatsApp groups on the first day, please ask your tutors for more information on campus. Please make sure to bring your laptop, ID, and payment card with you throughout the entire orientation week.

ORIENTATION DAYS

Orientation days will be held during January (for more detailed info contact the International Office).

During orientation days, you get to know the campus area, facilities, systems and practices relevant to studying. We recommend reserving time on both days after the orientations, as there will be a tutor-led free-form program & grouping with fellow students. Most importantly, have fun!

YOUR STUDENT UNION METKA

A student union is a statutory association, which operates in a University of Applied Sciences (UAS). Its responsibilities are to support student rights, oversee the students' interests, and to act in favour of the student. In addition to this, METKA organises events, coordinates tutoring and offers sports services for students (MeMove sports and wellness services).

Metropolia University of Applied Sciences is the biggest University of Applied Sciences in Finland and there are over 18 000 students. In order to be able to be everywhere where the student's voice needs to be heard, we are selling memberships to finance our activities. By becoming a member, you support the work done for Metropolia's students and get various benefits too!

As a METKA member, you will gain, for instance, access to sports services and discounted prices for student events organised by METKA and other student unions from the metropolitan area. You can also get Slice's student card, that can get you thousands of benefits!

You can purchase your membership through Kide.app!

STUDENT OVERALLS

Student overalls are overalls that are mainly used at student events. Overalls are usually worn by students in universities of applied sciences and universities. Metropolia has 16 different overalls for students in different fields. Most of the overalls are sold by student associations. Some study groups acquire their overalls themselves at the beginning of semesters. METKA does not sell overalls. Overalls cost 1-60 euros depending on the field of study.

Fabric patches are collected in the overalls to commemorate various events. You can also buy patches. In addition to METKA and student associations, individuals sell patches at student events or online.

The coloring of the overalls and the logo of the educational institution, student union or student association on the back indicate the place of study and the degree program. Among students it is common to exchange the overall leg with your significant other and a sleeve with your friend. Overalls are usually worn tied at the waist.

The overalls have landed in Finland via Sweden. The overalls were first worn by technology students in universities (teekkari) in Finland. Overalls have since spread to university of applied sciences students as well.
